## INAUGURAL OPPORTUNITIES FOR IDAHO BUSINESSES AT TAMARACK RESORT

For the first time, the resort welcomes interest from independent businesses

**TAMARACK**, Idaho (April 3, 2023) — America's newest Alpine village is inviting unique retail concepts to join its community following continued growth in summer and winter visitation. For the first time in its history, Tamarack Resort is welcoming Idaho businesses and entrepreneurs interested in making their mark at this popular all-season destination.

The Village at Tamarack is the vibrant heart of the resort, comprised of six buildings with a total of 47,000 square feet of commercial space housing guest services, resort operations, retail, restaurants and bars on the plaza level along with lodging and 130 luxury residences on the upper floors.

Until now, all commercial spaces at Tamarack have been owner operated. But with the completion of The Village and growing visitor demand comes the inaugural opportunity for Idaho retailers to claim their spot in the resort’s restaurant and retail hub.

Six plaza-level retail spaces, ranging from 340 to 2,480 square feet and just steps from the base of the mountain, are now available for third-party Idaho operators.

“Despite all that already exists at Tamarack, our master-planned destination has even bigger plans for the future with the return of our award-winning golf course, the mountain expansion proposal, new developer properties and a soon-to-be-announced hotel brand,” said Tamarack Resort President Scott Turlington. “Through it all, we’re dedicated to creating a world-class resort with distinctly Idaho roots — and we welcome retail partners to help us do so.”

Among the retail offerings Tamarack is seeking are clothing boutiques, art galleries, branded apparel, dessert shops and exercise studios. Interested parties can contact [leasing@tamarackidaho.com](mailto:leasing@tamarackidaho.com) to explore opportunities.
